

Mermaid Echo

WHERE EXTRAORDINARY
ENTERTAINMENT MEETS EDUCATION

8 YEARS OF MAGIC

Since 2016, Mermaid Echo has used "edutainment" to bring knowledge about environmental conservation to the next generation. The fantastical persona of a mermaid helps children understand how making green choices can help preserve and protect aquatic life.

THE OPPORTUNITIES ARE ENDLESS

Mermaid Echo is a dynamic performer, known for their talent and adaptability. They are a skilled entertainer both in and out of the water. "Both my children, two nephews, and friend's child fell in love with Echo... She was so patient with the children who were swarming around her. She has a special gift with children!" - Mari Kluck
